

## Quality Custom Home

This quality custom built home by Robinson Builders with five bedrooms, four and a half bathrooms and a three stall garage, is located on 2.72 acres with breathtaking views. The kitchen features granite countertops, Maple cabinets, hardwood floors and a walk-in pantry. Stainless steel appliances, built-in hutch and open to the dining creates an environment for entertaining. The family room welcomes you with a wood fireplace, built-in entertainment center and opens to the deck and surrounding views. The master bathroom has tile floor, countertops and tiled walk in shower, and easy access to the hot tub. The main floor also features an office and laundry. The upstairs has a loft area with built in desk and entertainment center, three bedrooms and two bathrooms. Step down to the relaxing lower level media room with a gas fireplace, kitchenette and walk-out to the back yard. The decks provide you with spectacular views, surround sound system and a covered area as well. The acreage is landscaped and is complete with flowers, a sprinkler system and a drip system for easy care.
